BARTELMES SHINES AGAINST GREENLEAF

Ralph Greenleaf met with unexpected opposition last night in his match with Charlie Bartelmes, the local amateur charlie Bartelmes, the local amateur-champion, that for a time made it ap-pear very much as though he would have to bow to defeat at the hands of the Washington player. The final score of the match was 125 to 92. Time after time, Bartelmes executed cut shots that drew round after round of applause, not only from the big au-dience which had exthemed to see the

Capital Hill Quint Is Defeated in Hard-fought Game.

In one of the hardest fought games in the series. Western just managed to nose

out its rival, Eastern, in the last few minutes of play, 16 to 10, at the Y. M. C. A. gymnasium. Both teams seemed to be well balanced and well matched, but the boys from Capitol Hill were greatly weakened by the absence of their little forward, Thomas, who was unable to get into the

fray.

The scrappy little school team from southeast played its opponents in great style during the first three-quarters of the game, but their inability to make easy shots paved the way for the Westerns' victory.

The goal shooting of the boys from across the creek was far superior to their rivals, although this quint also missed many easy shots from the floor.

The guarding by both teams was good, which accounts for the low score, while passing by both teams was the best seen so far in the scries.
